

THE EQUITY CENTRE

ABOUT US

The Equity Centre is a safer space on campus where students can hang out, learn, or help organize events and campaigns that raise awareness of equity issues that impact the diverse communities at Nipissing University. The Equity Centre and our Events are open to everyone.

SAFER SPACE POLICY

Our Safer Space is one that is welcoming, non-threatening, supportive, and encourages respect and being open to learning from others. Our office is an environment where oppressive language, attitudes and behaviours such as racism, sexism, ableism, or other oppressive behaviours will not be tolerated. Everyone who shares the space is encouraged to take an active approach in creating and maintaining an environment where the safety of others is valid.

OUR SUB-GROUPS

2QT PRIDE

2QT Pride is a group in association with The Equity Centre for LGBTQIA2S+ people at Nipissing University. We want to create a physical presence for the community on campus, as well as support LGBTQIA2S+ students throughout the year. Meetings and events are open to everyone, and we are always trans and ace inclusive!

AccessNU and SOCU (Students of Colour United) are subgroups of The Equity Centre. They act as a point of contact for students to bring specific concerns to in addition to running awareness campaigns and events.
