

NU Monthly Safety Newsletter

April 2023

Rights of workers

1. The right to know about health and safety matters.
2. The right to participate in decisions that could affect their health and safety.
3. The right to refuse work that could affect their health and safety and that of others.

Staying Healthy at work Tips:

- Stay hydrated.
- Maintain proper hand hygiene.
- Get sufficient night sleep.
- Utilize good posture.
- Learn stress management techniques.
- Maintain a clean workspace.
- Incorporate some exercise into your day.
- Don't forget to take breaks.

TIPS TO STAY HEALTHY AT WORK

WASH HANDS REGULAR

KEEP CLEAN AND HYGIENIC WORK SPACE

USE STEPS INSTEAD OF LIFT

MANAGE STRESS PROPERLY

KEEP CLEAN AND HYGIENIC WORK SPACE

How to be more active during the workday:

- When you take a break, move to a different area and stretch versus sitting in place.
- Wear comfortable shoes or leave a pair of comfortable shoes in your office.
- If you sit on a desk, make it a habit to move or stand up, march in place or pace in a circle.
- Take the stairs instead of the elevator.

HOW TO BE MORE ACTIVE AT WORK

Take **REGULAR BREAKS** from sitting by standing up every 30 minutes

Take the **STAIRS** instead of the lift

STAND UP or **PACE** whilst on the phone

WALK OVER to speak to colleagues instead of emailing them

KEEP HYDRATED for frequent toilet trips

LIMIT screen time to stay active

Hold a **WALKING** or **STANDING** meeting

Try a **SIT-STAND** desk

MOVE AWAY from your desk at lunchtime
