

MASTER OF EDUCATION - FLEX-TIME (Distance Learning program only)

2025 SUPPLEMENTAL APPLICATION INSTRUCTIONS

The Master of Education (MEd) program is an interdisciplinary self-growth model designed to prepare educational leaders for learning environments such as classrooms, schools and other learning organizations. You will have the opportunity to explore the major themes of curriculum leadership through the central concepts and framework of education. The program offers the option of completing a thesis, major research paper (MRP) or a research project and seminar (commonly referred to as the “course route”).

The program is offered on a full-time and flexible full-time (Flex-time) basis. The Flex-time option is intended to allow working professionals to be engaged in continued employment in areas related to the fields of research. All courses are offered online only. You must have access to a reliable high speed internet connection on a regular basis for this program. For international applicants only, please note that this program does not meet the requirements for a Study Permit.

The full-time MEd Program is a two-year program. Students in the Flex-time option may take up to 3-4 years to complete the program. Please note that the MEd program does not lead to certification in the province of Ontario.
