COMMUNITIES

Community and our children are the heart of everything we do at Frontier School Division. Each of our 39 communities are diverse and offer something unique. If you are looking for an opportunity to learn and grow as an educator, and engage with students, parents and caregivers on a whole new level than Frontier is where YOU need to be!

CULTURE

We are committed to building and maintaining relationships across the diverse communities that comprise Frontier as they play an important role in the strength of our division. Reflecting this diversity in cultural activities and programs enhances the knowledge of our students and their awareness of their own and other cultures. We are fortunate to be able to blend traditional and innovative learning to reflect the needs and aspirations of each area.
