

The Research (Co) Supervisor(s) should submit this form to the Graduate Coordinator/Chair to recommend an External Examiner for the Examination Committee at least 4 weeks prior to the MRP/Thesis/Dissertation submission deadline.

The External Examiner should be a graduate faculty member or someone with a status equivalent to a graduate faculty and should be from outside the program or department. The external examiner must not have been involved with the supervision and direction of the MRP/Thesis and must be in a position to render an objective and impartial assessment of the quality of the work.
